BizHub Industrial Park

BIZHUB INDUSTRIAL OVERVIEW

BIZ-HUB.CA | 306.668.3004

At BizHub Industrial Park, we're building a progressive industry centre that welcomes customers, attracts employees, and connects you to the world. Built to maximize sustainability and growth, BizHub has become the hub of Saskatoon's industrial market. Drawing on the experience and resources of Concorde Properties, one of Western Canada's leading developers, BizHub Industrial Park is introducing its next phase of light-industrial lots. **Put your business in the hub - BizHub.**

Conveniently located along Highway 16, the highest travelled highway in the province, BizHub offers excellent access to John G. Diefenbaker Airport and Saskatoon's bustling North Industrial Area. This premium placement provides direct exposure to Highway 16 and excellent access to Highways 7 and 11.

With wide, paved interior roads, BizHub is ideal for trucking companies, manufacturers, dealerships, distributors and the like. With lots at a minimum of 5 acres and the ability to package lots together, the possibilities are endless. Lots are lightly serviced and have light industrial DM1 Zoning.

Property Tax Exemption Programs are available through the RM of Corman Park. Tax exemptions are based on building values and can be up to 3 years at 100 % exemption on property taxes. These policies are subject to change, visit rmcormanpark.ca for more information.

Architectural guidelines are in place to protect your investment. Only high quality buildings with high quality owners.

BizHub offers full fireflow water protection. A six inch dedicated line is capable of producing a maximum flow of 1550 US gallons per minute to any fire suppression system.

BLOCK#	LOT#	Site Size	Asking Price
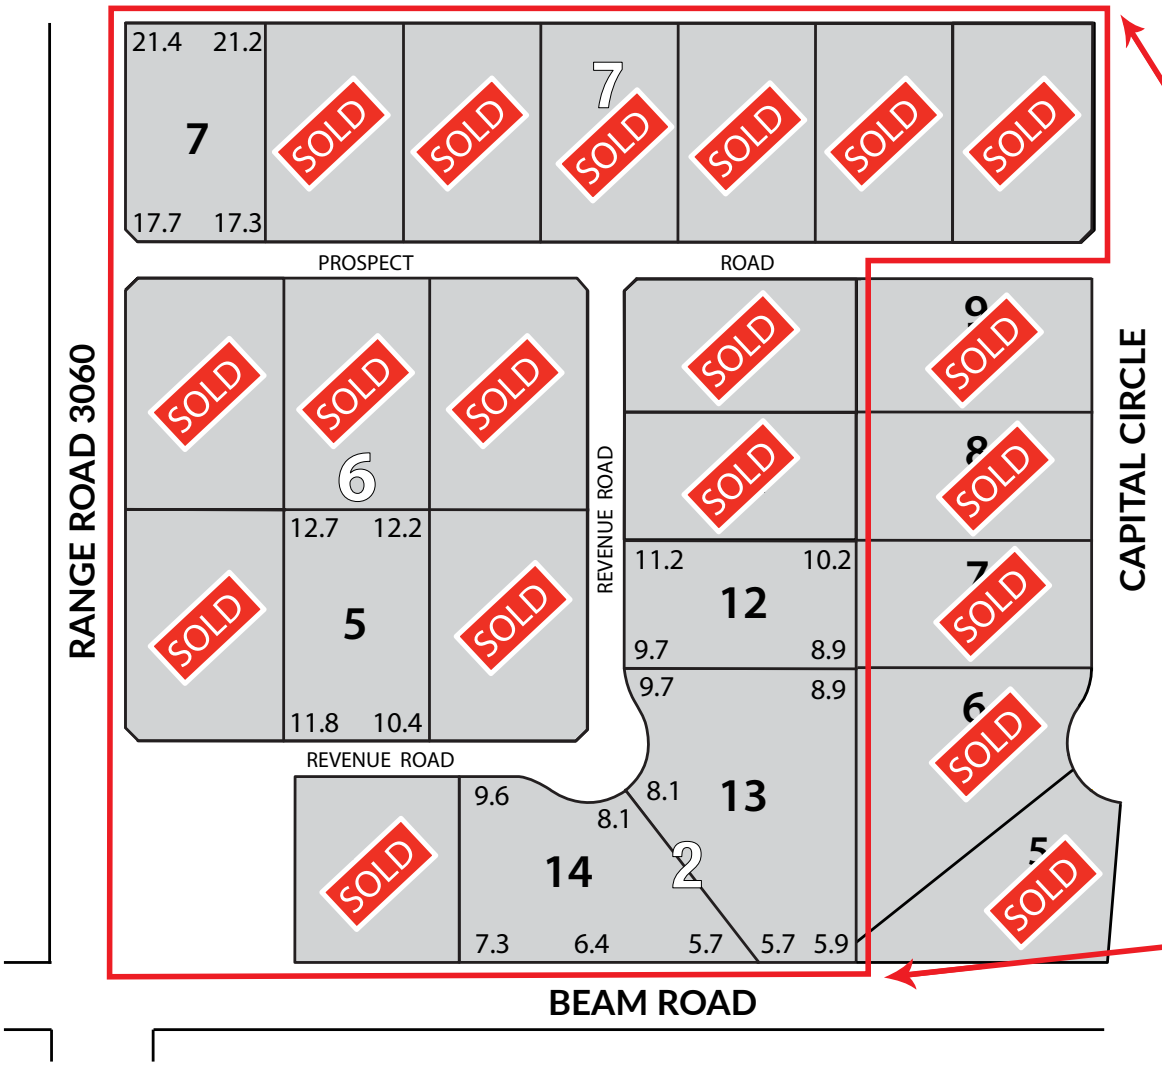
6	5	4.78 acres	$525,000 per acre
7	7	4.89 acres	$525,000 per acre

PHASE 2 PERMITTED BUILDING HEIGHTS



***Maximum structure height at lot corners in meters (m)**

With BizHub's close proximity to the Saskatoon Airport, lots in Phase 2 are subject to varying building height restrictions as per the Airport Authority guidelines. This map shows an illustration of approximate building heights allowed at each corner of the separate lots. All building plans will still require final permit approvals from the necessary Municipal and Airport Authorities.
